

Oxendon House Newsletter

A brief introduction...

Welcome to the new monthly Oxendon House Newsletter, a chance for people to look back on the month's goings on here at Oxendon House, as well as looking forward to the new plans we have coming up!

We have two themed days here; the first one was in early May, when everyone got involved in a day themed around France! The air was filled with aroma of fresh baked pastries, and the Parisian music echoed around the building!

It was always going to be a tough act to follow, but the residents had spoken, and the overwhelming choice for our most recent theme was the USA! Staff got involved by dressing up in their best Wild West outfits, and taking part in different America themed activities.

Massive thanks to all of the staff for pitching in! And a special round of applause to kitchen for serving up some culinary delights!

Shirli's Day Out!

Shirli, one of our newest residents, was the first person to sample the wonderful service provided by the Market Harborough Community bus group!

Having moved to Oxendon House, Shirli was finding it difficult to get back to her former home to collect some of her personal artefacts, thankfully, we were able to hire a bus for a day to allow us to travel back to her house and get all of the items that she needed. Not wanting to waste the access to a bus for a day, Shirli decided to stop off at Farndon Farm Shop on the way home, stocking up on fresh strawberries, olives and various other treats!

This will be the first of many trips out on the bus, with the next adventures courses already being charted...trips a plenty on the horizon! Including potential trips to hydrotherapy pools, country shows, the possibilities are endless!

We have enjoyed the first of our new monthly theme days!

The residents helped to decide which countries we were going to be celebrating and the choices were France and the USA. The next day will be a celebration of the great British Seaside! Check out the Oxendon House Facebook page for pictures...

Upcoming events for June/July

By AUTHOR NAME

The calendar for June is already looking very busy, with our continued use of the wonderful Market Harborough Community Bus! It was put to a vote from the residents as to where they would most like to go, and the landslide winner was Foxton Locks, so over the coming months we will be making many trips out to see these wonderful grade two listed Locks.

Ascot is just around the corner, and we will be getting involved by taking part in several games around this most stylish of sporting events! Oxendon house will be filled with all the fun of a day at the races!

We will also be using the mini bus to visit various local spots, contact us via the Facebook page with any suggestions...
