They will be supporting Lynn until a new manager is appointed. We would like to welcome Michelle who has joined our care team. Alan has also joined our team as the maintenance person.

The home is continuing to recruit to enhance our staff team and we have successfully recruited three new night staff members and we are awaiting references and DBS checks before we can get them started.

The home is also starting now to recruit for a home manager and interviews will be held over the next few weeks.

We are still looking for experienced, kind and caring staff to join our team and if you know of anyone suitable please ask them to pop in for an application form.

The home are still developing our memory boxes and we would ask for your help in completing your loved one's boxes. We will be having a competition to find the best memory box so please join in the fun

We have recently had a small break in, which happened during the early hours of the morning, they only got as far as the clinical room but was disturbed by staff on duty. There was nothing taken apart from a staff members handbag from the clinical room. Please be assured that we take the security of our residents, staff and building very seriously and we have had a full security check to try and prevent anything like this happening again. Lynn will be happy to go through any details with you should you require any further information about this.

Please speak to Lynn at any time should you have any concerns

STAFF MEMBER OF THE MONTH

We are proud to announce that our employee of the month for July went to Debbie Monaghan – care assistant. There were several nominations that felt that Debbie went above and beyond her job role both in supporting the residents but also by supporting the staff team. We are all very proud of Debbie. August employee of the month will be announced in the 1st week of August.

MEET THE MANAGEMENT TEAM AFTERNOON

We will be having a coffee and cake afternoon on the 1st August at 2.30 where this will give relatives, residents and staff the opportunity to meet the two new deputies and also to speak to Lynn.

We look forward to seeing you there.

Should you require any information or have any concerns please speak to Lynn, Ashley or Shirley at any time.
