

Oxendon House Newsletter September 2019

We have had a wonderful August here at Oxendon, with lots of Activities and plenty of engagement from our residents. We had our first trip to west Lodge farm Park, which was a rip roaring success! Rid and Janet really enjoyed meeting all of the animals, and also finding time for a nice piece of cake and a cup of tea.

We have seen a spike in interest in some of our new board games, with lots of residents showing great enthusiasm for the new connect four game!

As we can feel summer slowly turning into Autumn, there have also been a few a trips out and about exploring Great Oxendon, on the right you can see a picture of Chris enjoying some of the local views, and this has been decided as our photo of the month!

WEST LODGE
rural centre

A grand day out at West Lodge! Ridd was first in line to have a hold of some of the super cute Guinea Pigs! Meanwhile, Janet made friends with some of the very hungry goats....definitely had nothing to do with the food that she was offering up to them...

WEST LODGE
rural centre

When we had finished looking at all of the animal, and had enjoyed a tour of the farm, we relaxed in the café with a cup of tea and a well earned slice of cake.

If any families members would like to join us on one of these trips, please contact me (Henry) via Facebook or contacting the house direct.

Music Sessions!

Our music sessions are always a great laugh, here are a couple of the best images from this month

What's coming up...

The diary for September is fast filling up! We have a plethora of trips out and about around Market Harborough, as well as the usual in house activities! As the nights begin to close in you can expect to see changes to the activity planner, with more emphasis being put on cosy activities within the house! Residents can still expect all of the old favourites though.

If anyone has any suggestions for trips we could on in the local area, please don't hesitate to get in touch, as the amazing Market Harborough Community Bus guys are on hand to help.
