

Oxendon House Newsletter November 2019

Now that the nights are drawing in, we are celebrating the winter months and the steady stream of events! We ended October on a high with our fantastic Halloween themed day, which proved to be a great success! A massive thanks to the staff and the residents for getting so involved and really entering into the spooky spirit of things.

November and December will see more themed days, as well as being the first month with our brand new Movies and Sports lounge, details of which can be found overleaf...

Halloween was an absolutely SPOOK-tecular celebration at Oxendon House! The highly talented Ostara Treatments (aka Tahnee Treadwell) came in and did some fancy painting for the residents! Helping to make it a day of fun and laughter!

We are looking forward to more themed days
in November and December, please get in
touch with Henry (via
activities.oxendon@jasminehealthcare.co.uk)

Day to day at Oxendon House

Here are some candid snaps
of some of the more low key
activities taking place at
Oxendon House this month!
Pumpkin carving, music
sessions and the
introduction of our Tuck
Shop! Lots of fun all around.

Coming up...

- Residents will be putting their baking skills to the test with some new baking sessions!
- We will be utilising the new entertainment centre to showcase a plethora of films and sporting events.
- It is NEARLY time to begin decking the halls with our Christmas decorations!
