## January NEWSLETTER 2021

*In December we started using the safe visiting space. It was nice to see the residents have a chat with their families and hopefully sometime soon we can have proper indoor visits when its safe to do so.*

The residents really enjoyed watching A Christmas Carol live on Zoom on Christmas Eve. Pat joined in with National Christmas Jumper Day.

# Christmas 2020!

We had lots of Christmas decorations around the house and it looked very festive! The residents loved decorating all the trees!

Nancy enjoying the first sight of snow in the garden, she was very excited! And Alice showing off her Christmas themed facepaint!

## A mile of change!

As part of our effort to raise money for our Residents fund we will be starting to collect a mile of change. Any donations will be gratefully appreciated. Jasmine Healthcare will match pound for pound any funds raised by the home.
