

March NEWSLETTER 2021

14th Barbara

15th Maria

17th Mick

29th Joyce

In December we started using the safe visiting space. It was nice to see the residents have a chat with their families and hopefully sometime soon we can have proper indoor visits when it's safe to do so.

Valentine's Day at Oxendon means lots of music, treats, games and of course sherry!
Even the residents joined in and wore red clothes!

The residents loved having two little guinea pigs visit our home. There were lots of smiles and cuddles. We hope to see them again soon!

Pancake Day was a very tasty treat!

We have been using our very own visiting pod. It's a great way for the residents to see their family and stay safe.

As part of our effort to raise money for our Residents fund we will be starting to collect a mile of change. Any donations will be gratefully appreciated. Jasmine Healthcare will match pound for pound any funds raised by the home.

A mile of change!
