## Happy Valentine's Day!

Valentines Day at Oxendon House! We listened to classic love songs, made some love heart short bread and played themed games!

Over February We have done lots of different activities! Tabletop dominoes, Jenga and cards. We had Tom come back from Gfitness who got everyone awake and moving. Betty the dog paid the home a visit and spent the majority of the day in the sunny weather outside with the residents! The first of hopefully many sunny days this year!

As part of our effort to raise money for our Residents fund, we will be starting to collect a mile of change. Any donations will be gratefully appreciated. Jasmine Healthcare will match pound for pound any funds raised by the home.

Mile of change!

Things to look out for this month!
